

Professional Team Goals

5th Grade

Members: Quagliotto/Nezich/Maran/Schaf Grade or Subject:

Using the PACE Academy School Improvement Plan, identify two student growth improvement goals.

Goal #1: Each 5th grade class will achieve at least 1 years growth on Scantron in each subject they teach

Goal #2: Students will continually out perform the ANET network in Math + Reading.

What will success of these goals look like? How will you know when you have achieved them? What would count as evidence of success?

Small groups
Direct instruction
Differentiated instruction

Informative + formative assessments to monitor student growth

Mastery of goals on state tests.

Describe the activities you will use to progress towards these goals. Be certain to include on-going cross-content activities. Indicate the timelines and coordinator for each activity.

<u>Activities</u>	<u>Timelines</u>	<u>Coordinator</u>
1. - Close reading strategies - Cross curricular integration - writing across the curriculum with different genres	1. Daily + weekly implementation	1. Myself

What resources will you need to better achieve your goals?

- Having a variety of reading genres (texts) for each subject area.
- Professional development
