

Brief Constructed Response

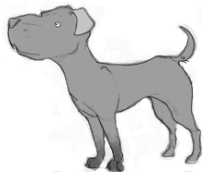

You will need about 15–20 minutes to complete this brief constructed response.

Mother Dog

Puppy A

Puppy B

A

Compare the mother dog with her grown puppies in the picture. Use what you know about traits, and use your own words to explain why the dogs look alike in some ways but not exactly the same.

B

Describe a trait and a behavior of a dog that is NOT inherited. Explain how you can tell that it is not inherited. Explain how that dog may have gotten that trait and that behavior.
